September 7, 2007

The Northern California Chapter of the Urban Regional Information System Association (NorCal URISA) would like to cordially invite you to participate in GIS Day 2007. Last year was our first annual GIS Day event and we hope to make GIS DAY 2007 bigger and better. GIS Day is Wednesday, November 14, 2007. The event will be held at The City of West Sacramento's Galleria in City Hall. The proposed time of the event is 11:30AM to 3:30PM. The event will be posted in the local West Sacramento paper, registered on two local television station websites, the local West Sacramento television station and the CGIA newflash website. NorCal URISA is in the process of contacting local State agencies in hopes to involve State participation. Donations for the event, in any amount are welcome. The funds will be used for refreshments, prizes and other costs associated with GIS Day 2007. Please contact Maria Clay at or Anthony Arieas at 916.617.4529 if you are interested in participating.

Sincerely,
NorCal URISA Board

Maria Clay
