Reg Parks, PVTS / VDTG

Field Data Collection Methods & Applications in Agriculture

Robin Wood, Scan Control, Inc.

Extending the GIS Environment to the Field for Surveying and Mapping

Barbara Brown-McInerney, Lieca Geosystems USA

Directions to the the Napa Public Library Community Meeting Room:

From Hwy. 29 take the First Street exit and go EAST to the intersection (stoplight) at First Street and California Blvd. Turn SOUTH on California Blvd. and make an IMMEDIATE left (EAST) on to Second Street (one-way). Please Note: Second Street will take a slight jog to the NORTHEAST at Church Street....STAY ON SECOND STREET! Follow Second Street to Coombs. Make a right on Coombs (SOUTHEAST) for 4 blocks to Division Street. The Napa Public Library will be immediately on your LEFT (the Library parking lot begins one block BEFORE Division Street at FIFTH and Coombs).

From Soscol Avenue turn West on Third Street and follow Third Street over the Bridge (Napa River) past the Courthouse (on your left) to Coombs St. Turn SOUTH on Coombs and proceed 3 blocks to Division Street. The Napa Public Library will be immediately on your LEFT (the Library parking lot begins one block BEFORE Division Street at FIFTH and Coombs).

The usual format is a brief introduction of group members, 2 hours of presentations or discussion, and then informal conversation and networking.

Hope to see you there,

Reg Parks
